

Thermoid®

Valu Flex® Red Hose...

**...Versatile, Economical
and NOW EVEN BETTER!**

HBD/Thermoid has made a good product even better. **Valu Flex Red Hose** is now available in a new and improved red color. With the growing number of job applications requiring hose color-coding, bright hose colors have become increasingly important. Our new **Valu Flex Red Hose** is brighter and can be easily identified on the job site compared to its former color.

OLD COLOR

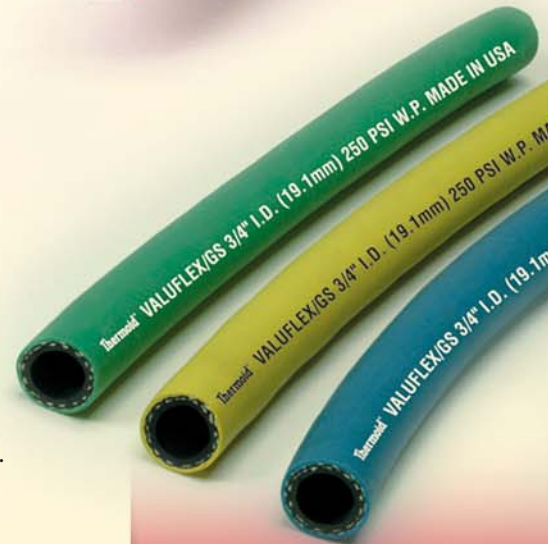

NEW COLOR

Valu Flex Hose from HBD/Thermoid is a product that can handle nearly any air or water application in industrial, construction and /or agricultural applications where oil is not a significant factor. **Valu Flex Hose** is available in its new **Red Color** as well as **Black, Green, Yellow** and **Blue**. All **Valu Flex Hoses** have an EPDM rubber cover and tube with spiral polyester yarn reinforcement that resists heat, abrasion, ozone and tough weather conditions. These hoses perform well in temperatures ranging from -40°F/-40°C to +200°F/+93°C.

Valu Flex Hoses offer you the industry's most complete line of sizes: 1/4" through 2" I.D. All **Valu Flex Hoses** are available in a wide variety of working pressures ranging from 150, 200, 250 and 300 PSI. **Valu Flex Hose** can be packaged on a reel or in 50 ft. lengths. Special length requirements are also available upon request.

NEW CRIMPED BRASS AND STEEL HOSE FITTINGS from HBD/Thermoid, Inc.

HBD/Thermoid, Inc. is pleased to announce the availability of new and improved crimped brass and steel hose fittings. These improved crimped fittings and installation process can provide you and your customers with many advantages over hoses using the older fitting types, including:

- Increased fitting retention and improved hose to fitting seal
- Improved flexibility at the fitting/hose connection
- Easier to handle hose end... improved ergonomic design
- Smoother, cleaner fitting surface that eliminates snagging

Our new CRIMPED BRASS AND STEEL FITTINGS are available on a variety of Thermoid® brand hose products, including:

- Air Power-Jackhammer Hose (steel)
- Red Air Tool-Coupled Hose (brass)
- Heavy Duty Impact Air Tool Hose (brass)
- Impact Air Tool Hose (brass)
- Heavy Duty Air Hose (brass)
- Yellow PVC Air Hose (brass)

For complete details or to arrange a product demonstration of this new hose crimp fitting, contact your area HBD/Thermoid Sales Representative or call toll-free: 800/543-8070
